Subject: **Declaration of REACH Compliance**

COTSWORKS is an assembler of articles and not a manufacturer of substances that could be released into the environment. The following information summarizes the responsibilities within our scope of effort as an assembler of Articles as specified by the European Union Directive 1907/2006 on the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) as defined by their website at: <https://echa.europa.eu/candidate-list-table>.

This declaration is being made according to the listing effective July 8, 2021 which contains 219 substances.

- COTSWORKS is fully aware of the requirements given by the REACH regulation and has identified its roles and obligations to the best of our knowledge.
- COTSWORKS confirms that we understand our obligation under REACH in our roles either as an assembler or importer of articles.
- COTSWORKS is in contact with all our suppliers (located inside and outside of the EU) in order to get proper information and to ensure the availability of articles in the future.
- COTSWORKS will monitor all further obligations with regards to the Candidate List (SVHCs) and will make any update to the relevant parts supplied to our customers.
- COTSWORKS will provide safe handling practice (if applicable), when such information is provided by our manufacturers for articles containing SVHCs (above the 0.1% weight by weight limit).

Should you have further questions or require additional information, please contact the undersigned.
